

Good Afternoon,

Today we have come together to recognize certain individuals with greater commitments. The members whom we honor today have demonstrated that they are capable of great academic accomplishment and thus also by their hard work. As a reflection of their Leadership, Scholarship, and Service; these individuals recognize the great challenge which is theirs: the world of service is now in their hands.

Let us pray.

In the name of the Father, and of the Son, and of the Holy Spirit.  
Amen.

Lord,  
We ask your blessings upon these candidates whom we honor today.

We celebrate their capacity for scholastic achievement, for focused efforts, and their service to others.

We are grateful of the support they have from their families, their professors, mentors, and the faculty and staff here at MCU, to continue engaging them intellectually, morally, and spiritually.

Thank you for their confidence to discover and explore new possibilities and knowledge to discern what is right and good and just.

Support our honored student leaders as they continue to make a difference in the world and lead a life. 'For The Greater Glory of God.'

We ask this in your Holy Name.  
Amen
